The coronavirus disease (COVID-19) situation is changing worldwide by the day. COVID-19 is an emerging disease and there is more to learn about its transmissibility, severity, and ultimate spread and control. This document is a collection of informational links from the most credible organizations dealing with the outbreak and is intended to help you maintain up to date information and knowledge about COVID-19.

BASIC PROTECTIVE MEASURES AGAINST COVID-19 INCLUDE:

- Travel: Avoid travel to locations with prevalence of COVID-19. Check with U.S. State Department for warnings (<https://travelmaps.state.gov/TSGMap/>) and other resources provided below.
- Hand Washing: Wash hands frequently with soap and water for at least 20 seconds. In the absence of soap and running water, use an alcohol-based hand rub with at least 60% alcohol.
- Social Distancing: Maintain at least 6' distance between yourself and anyone who is coughing or sneezing.
- Avoid touching eyes, nose and mouth with unwashed hands.
